

## CHANGING YOUR OIL *IS GOOD FOR YOUR CAR*

## USING RE-REFINED OIL *IS GOOD FOR THE EARTH*

Chrysler, General Motors, Volvo, and Mercedes-Benz all endorse the use of re-refined motor oil certified by the American Petroleum Institute (API). Clark County, the Vancouver School District, Northwest Natural Gas, C-Tran, and Waste Management all use re-refined motor oil in their vehicles. Using re-refined motor oil conserves oil resources and reduces our dependency on foreign oil. Re-refined oil is available in SAE 10W-30 weight only.

**Have your vehicle's oil changed with re-refined motor oil or purchase re-refined motor oil at either location.**

- **Main Street Tire** 3800 Main St., Vancouver  
(360) 690-8277
- **Jiffy Lube** (Fisher's Landing site *only*) 2500 SE  
164th Ave., Vancouver (360) 256-5939
- **Express Care** 16200 SE Cascade Park Dr.,  
Vancouver (360) 882-3225

*Call the Clark County Solid Waste Division  
at (360) 397-6118 ext. 4016 for more  
information on how you can protect Clark  
County water by recycling your used oil.*
